 - a. (Phone) 609-351-4658; (Fax) 609-754-5474
 - b. Email: bradley.warren@mcguire.af.mil

5. **Project Category:** Heavy Civil Utility Treatment Plant Highway / Road
 Site Work Concrete Marine Building Renovation New Building

6. **Description of Project:**

Designed and installed new paver walkway and pre-fabricated paver emblem in existing concrete trough at McGuire Airfield.

Major Sub-Contractor:

Paver Art – Fabricated Hanover Paver Emblem

EP Henry – Supplied EP Henry Pavers for Walkway and Emblem Field

Change Order 1: Additional work for concrete removal to level existing concrete trough.

West Bay Construction collaborated with Owner and sub-contractor to design the “MDL – Joint Base McGuire Field” paver emblem and surrounding paver field. After design approval and fabrication of pavers West Bay Construction successfully installed the approximate 900 square feet of pavers to the satisfactory of the Owner.
